

# Prof. Gianluca Mampieri

## BIO

Since 1995, Gianluca Mampieri has been working as a professional Orthodontist, both in private practices and at University Hospitals. Specifically, he has been operating as an Assistant Professor and Orthodontist at the University of Rome Tor Vergata since 2006. His professorship has involved courses in Orthodontics, Periodontics, and Multidisciplinary Treatments. Recently EBO (European Board of Orthodontics) and EBAO (European Board of Aligner Orthodontics) certified, Gianluca has confirmed his commitment and high skills in Orthodontics and Esthetic Orthodontic Therapy.

Before joining the University of Rome Tor Vergata, he has worked as a professional consultant in Orthodontics in multiple private practices based in Rome and its provincial areas. Keen on gaining and sharing experience as well as enhancing continuous education, Gianluca has also been the author and co-author of about 70 scientific papers published globally, including a chapter dedicated to Open-bite Correction within the international textbook *Principles and Biomechanics of Aligner Treatment* (2020).

After earning his Dentistry Degree from the University of Rome Tor Vergata in 1995, he was assigned a Research Grant from 2003 to 2006 which allowed for further building knowledge and experience in the use of TADs in Orthodontics. Moreover, Gianluca gained a PhD in Dental Science in 2008, after which he specialized in Orthodontics in 2012. As well as being an EBAO-certified professional, Gianluca Mampieri is an active member of SIDO (Italian Society of Orthodontics), EOS (European Orthodontic Society), membership of AAO American Association of Orthodontists) and a member of the Executive Board of SI.TE.BI (Italian Society of Bidimensional Techniques) and SIALIGN (Italian Society of Aligners).
